Abstracts & Presentations

1. **Nguyen TT**, Smith BJ, McCready C, O'Donnell MA, & Konety BR. Impact of intravesical BCG plus interferon-alpha therapy for superficial bladder cancer on quality of life. Podium presentation at the North Central Section of the AUA, 76th Annual Meeting in Chicago, IL, September 19, 2002.
2. Anderson DA, Wang DS, Fretz PC, **Nguyen TT**, & Winfield HN. Laparoscopic augmentation cystoplasty: a comparison between native ileum versus small intestinal submucosa (SIS) in the porcine model. Moderated poster

presentation at the 21st World Congress on Endourology and Shockwave Lithotripsy in Montreal, Canada, September 21, 2003.

3. Wang, DS, **Nguyen TT**, Sirintrapun JS, Bird VG, & Winfield HN. Laparoscopic versus open renal surgery: does the size of the incision matter? Moderated poster presentation at the 21st World Congress on Endourology and Shockwave Lithotripsy in Montreal, Canada, September 22, 2003.

4. Anderson DA, Wang DS, Fretz PC, **Nguyen TT**, Johnson CJ, Dahmouh L & Winfield HN. Laparoscopic augmentation cystoplasty: a comparison between native ileum versus small intestinal submucosa (SIS) in the porcine model. Discussed poster presentation at the AUA 2004 Annual Meeting in San Francisco, CA, May 8, 2004.

5. **Nguyen TT**, Konety BR, O'Donnell MA & Winfield HN. Cytoreductive nephrectomy for metastatic renal cell carcinoma: the role of laparoscopic nephrectomy. Poster presentation at the Society of Laparoendoscopic Surgeons 13th International Congress and Endo Expo in New York City, NY, September 29–October 2, 2004.

6. Anderson DA, Wang DS, Fretz PC, **Nguyen TT**, Johnson CJ, Dahmouh L & Winfield HN. Laparoscopic augmentation cystoplasty: a comparison between native ileum versus small intestinal submucosa (SIS) in the porcine model. Presented at the North Central Section of the AUA 2004 Annual Meeting in Palm Beach, FL, October 4–9, 2004.

7. **Nguyen TT**, Deorah S & Winfield HN. (Video) Vascular complications of laparoscopic renal surgery. Video presentation at the 22nd World Congress on Endourology and Shockwave Lithotripsy in Mumbai, India, November 2004.

8. Deorah S, **Nguyen TT**, Rayhill SC & Winfield HN. Laparoscopic versus open right living donor nephrectomy: a comparative study. Presented at the 22nd World Congress on Endourology and Shockwave Lithotripsy in Mumbai, India, November 2004.

9. **Nguyen TT**, Weise ES, Parkinson JP, Kuehn DM, & Winfield HN. Novel technique for ensuring negative surgical margins during laparoscopic partial nephrectomy. Presented at the AUA 2005 Annual Meeting in San Antonio, TX, May 21–26, 2005.

10. Deorah S, Weise ES, **Nguyen TT**, Rayhill SC, & Winfield HN. Right-sided donor nephrectomy: laparoscopic versus open. Presented at the AUA 2005 Annual Meeting in San Antonio, TX, May 21–26, 2005.

11. **Nguyen TT** & Winfield HN. (Video) Vascular complications of laparoscopic renal surgery. Video presentation at the North Central Section of the AUA 2005 Annual Meeting in Chicago, IL, September 8, 2005.

12. Winfield HW, Duchene DA, Weise ES & **Nguyen TT**. Laparoscopic robotically assisted pyeloplasty using the da Vinci[®] robotic system. Presented at

the North Central Section of the AUA 2005 Annual Meeting in Chicago, IL, September 9, 2005.

13. Winfield HN, **Nguyen TT**, Bhalla R, Weise ES, Konety B, O'Donnell MA & Kozlowski P. Cytoreductive nephrectomy: laparoscopic versus open. Poster presentation at the North Central Section of the AUA 2005 Annual Meeting in Chicago, IL, September 9, 2005.

14. Winfield HN, Deorah S, Weise ES, **Nguyen TT** & Rayhill SC. Right-sided donor nephrectomy (RDN): laparoscopic versus open. Presented at the North Central Section of the AUA 2005 Annual Meeting in Chicago, IL, September 9, 2005.

15. **Nguyen TT**, Weise ES, Parkinson JP, Kuehn DM & Winfield HN. Novel technique for ensuring negative surgical margins during laparoscopic partial nephrectomy (LPN). Podium presentation at the North Central Section of the AUA 2005 Annual Meeting in Chicago, IL, September 10, 2005.

16. Duchene DA, **Nguyen TT**, Weise ES, Kuehn DM, & Winfield HN. Needle technique for ensuring negative surgical margins during laparoscopic partial nephrectomy. Video presentation at the 24th World Congress of Endourology in Cleveland, OH, August 18, 2006.

17. Jirschele C & **Nguyen TT**. Office-based percutaneous cryoablation of cT1a renal masses in a community practice by a single urologist without assistance of an interventional radiologist. Podium presentation at the North Central Section of the AUA 2012 Annual Meeting in Chicago, IL, October 11, 2012.

18. Siegert JJ, Jirschele C, **Nguyen TT**. Office-based image-guided percutaneous cryoablation of clinical T1a renal masses: experience of a private practice urologist in the community setting. Podium presentation at the North Central Section of the AUA 2013 Annual Meeting in Naples, FL, October 12, 2013.

19. Siegert JJ, Jirschele C, **Nguyen TT**. Office-based image-guided renal mass percutaneous cryoablation. Podium presentation at the Annual Clinical Assembly of Osteopathic Surgeons 2013 Annual Meeting in Las Vegas, NV, November 14, 2013.

20. Siegert JJ, Jirschele C, **Nguyen TT**. Office-based image-guided renal mass percutaneous cryoablation. Moderated poster presentation at the Annual Clinical Assembly of Osteopathic Surgeons 2013 Annual Meeting in Las Vegas, NV, November 14, 2013.

21. Siegert JJ, Jirschele C, **Nguyen TT**. Office-based image-guided percutaneous cryoablation of clinical T1a renal masses: experience of a private practice urologist in the community setting. Accepted for presentation at the 31st World Congress of Endourology in New Orleans, LA, November 26, 2013, but withdrawn due to inability to attend conference. Olympus Best Paper award nominee.
