

BPH Men's Health Seminar with Dr. Gregory Andros

Wednesday, June 21, 2023
5:00 PM - 6:00 PM

Join Dr. Gregory Andros for a free lecture to learn about the symptoms and treatment options for BPH (also known as enlarged prostate), including Greenlight Laser Therapy and TURP

Did you know BPH (also known as enlarged prostate) affects about 50% of men by age 60, and up to 90% of men by age 85?

Signs and Symptoms of BPH

- Frequent or urgent need to pee
- Peeing more often at night
- Trouble starting to pee
- Weak urine stream, or a stream that stops and starts
- Dribbling at the end of urination
- Not being able to fully empty the bladder

Get the facts about BPH at our FREE seminar
